## Welcome! Fellow Cattlemen and Friends to our 38<sup>th</sup> Production Sale,

I take this opportunity to share history regarding Evenson's production sales. During the 30's, Bill and Wally's parents, Ernest and Lillian, operated a dairy business - which dispersed in 1956. It was in 1952 - the beginning of Ernest Evenson and Son's registered Angus herd - with the purchase of 12 registered Black Angus cows from Henke Angus Farm. Again in 1955, 10 more were purchased from Henke. From then on very few cows were purchased, we raised our own. Another exciting year, 1980, was our first annual production sale, held at Tri-State Auction in Hettinger, ND. Fifty yearling bulls made

up our first sale catalog. Prior to the 1980 production sale, bulls were sold at the farm, private treaty. The year 1988 was the beginning of a joint production sale including Orville and Emily Stadheim Herefords. The joint sales continued through the year 2000. This proved to be good for both the Hereford and Angus cattlemen. Upon the closing of Tri-State Auction and Lemmon Auction 25 miles away was the open door for Evenson's first annual production sale, held at Lemmon Livestock Market, Lemmon, SD in 2002. This is where we continue to have our production sales. Time went on and in 2008 was the beginning of another new addition to our catalog. Buyers were interested in purchasing older bulls as well, therefore, we included registered Black Angus fall bulls. Our first catalog had seven falls to sell. It has increased and today approximately 50 sell. The North Dakota Angus Association established an annual Bull Test Sale to where cattlemen consign bulls. This year will be the 30th annual sale, held at Stockmen's Livestock Auction in Dickinson, ND. In the past and the present Evensons consign five to seven bulls each year.

The summer of 2005, a feedlot was added to the family farm to accommodate 1000 head of our own cattle. As time goes on, we continue to see changes in the cattle industry, and we hope for the best!

The year 2017 is the 10th year we finished steers at our home feedlot. At this time 90 steers sold in one lot at approximately 13-1/2 months.

**Carcass Data Results...Choice or Better - 100%, Prime - 23.18%, CAB - 57.67, Choice - 19.15%. The carcass yield - 62.05%.**

On behalf of the Evenson family, we "Thank" our customers, past, present and to our many repeat buyers for your continued interest in our cattle. Your support is greatly appreciated, and we will continue to bring you genetics to improve your operation.

You are welcome to stop by to preview the bulls we are offering. We are located 1/2 mile east of the old Tri-State Auction.

Bill can be reached
